- We produce an annual, nationally recognized festival which contributes to the Gunnison-Crested Butte economies by attracting over 5,000 new and repeat visitors each summer.
- We offer a vehicle to effectively promote your brand while creating positive experiences for your customers.
- We partner with other local non-profit organizations that share our commitment to protecting our natural botanical heritage.
- We promote sound stewardship of the Gunnison Valley and adjacent wilderness areas.
- We foster education at all levels by offering our guests diverse artistic, environmental, recreational, and scientific events.
