

Safety/Emergency Notes for Participants of Outdoor Events

1. Important items to bring on your hike:
 - a. Cell phone (if you have one)
 - b. Plenty of extra water
 - c. Sunscreen
 - d. Bugspray
 - e. Sunhat
 - f. Snack
 - g. Raincoat
2. Wear adequate footwear and be prepared for the level of hike for which you have registered.
3. Do not leave the group. Should you begin to feel ill or need to rest, communicate with your Leader immediately and request assistance.
4. When parking by a trail, be sure you leave room for emergency vehicle access (i.e. ambulance, helicopter landing zones). Note the location of any first aid stations.
5. Upon returning to town, please report all falls, injuries, illnesses, or other safety incidents that took place by contacting the Wildflower Festival staff (970-349-2571).
6. In the event an injury or problem while you are in the field, please use your best judgment for your particular circumstance, **AND do the following:**
 - Stabilize the injured party.
 - Call 911 on cell phone or contact Festival Staff as soon as cell phone range allows.
7. Emergency Phone numbers for Wildflower Festival Staff and Local Hospitals/Clinics:
