

Crested Butte Wildflower Festival

C-Bees

Seeds:

Ages 3-5

Adventure Guide & Activity Booklet

Name: _____

Age: _____

Welcome!

Hi! My name is Bee
Bop! Will you help me
learn about and protect
my home in CB?

Complete the activities in this book (marked with this magnifying glass ) to learn about our wildflowers and their habitat.

Become a C-Bee Protector and share what you learn with others!

Bring your completed activity book to a Festival staff member (located at 716 Elk Ave, Crested Butte, CO) or to the Visitor Center (at the 4-Way) to receive your official C-Bees certificate and pin! While you only need to complete as many activities as the number of your age (six activities for a six-year-old, etc.) for a certificate, you are welcome to complete as many as you like!

Wildflower 101

Wildflowers are special flowers that pop up all on their own, without anyone planting them!

Wildflowers can grow all over! They sip water from raindrops and melted snow. They get their food from the sunshine and the soil in the ground.

Wildflowers are food for our pollinators, like Bee Bop, and his friends!

5 Senses Hike

Let's go on a hike!

Pay attention to your 5 senses:

What can I see?

What can I hear?

What can I touch?

What can I smell?

What emotions do I feel?

Do **not taste or eat the wildflowers or plants.**

Leave No Trace

**Help Bee Bop keep his home
clean and healthy:**

*Pack out trash
and recycling*

*Stay on
the trails*

*Do not pick
the wildflowers*

*They are
my food!*

LNT Practice

Let's go on a hike!

Practice your Leave No Trace skills:

Will you help me
clean up my home?

I cleaned up _____ pieces of litter!

Colorful CB

Field trip! Learn about the many colors of Crested Butte over at The Crested Butte Museum. Complete one of their activities or share what you learned with the front desk to earn a booklet stamp and a prize!

331 Elk Ave, Crested Butte, CO 81224

Hours: 7 days a week, 10am - 6pm

Stamp

70

Pollinator Pals

Meet Bee Bop's friends:

Ruby, the bird

Motthew, the moth

Buzz, the bee

Wingston, the butterfly

Antonio, the ant

Dot, the ladybug

Become a pollinator

Eat at a local restaurant or shop at a local store.

Where did you go? What did you get?

Color Me Wild

Color me in to help attract pollinators!

Paintbrush

Columbine

Arrowleaf
Balsamroot

Lupine

Interview a Docent!

Field trip! Head to the Rocky Mountain Biological Lab Visitor Center for even more wildflower magic.

8000 County Road 317, Crested Butte, CO 81224

Hours: check online

Ask a Docent or Visitor Center worker questions you are curious about. Here are some examples:

What animals live around here?

What's your favorite flower?

What's your job?

Do you play outside a lot?

What do you look for when you walk in nature?

How can I become a scientist?

Name of who I interviewed:

One cool fact I learned:

Stamp

This Official Certificate

*certifies completion of the C-Bees program requirements,
inducting the name below into a special group of young
stewards joining the Crested Butte Wildflower Festival in
advocating for the preservation & appreciation of wildflowers.*
